SECOND INFORMATION DISCLOSURE STATEMENT

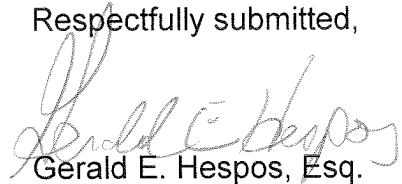

Sir:

The above-identified application corresponds to Japanese Patent Appl. No. 2003-041820. The Japanese Patent Office issued an office action in connection with the corresponding Japanese application on October 7, 2008. That office action has been translated by the Japanese attorneys for the assignee and a copy of that translation is attached. The Examiner will note that the Japanese Office Action cited six Japanese references and one Japanese language WIPO document. The WIPO document has a U.S. equivalent.

This Information Disclosure Statement includes a copy of Form PTO-SB/08a that identifies the seven references cited by the Japanese Patent Office and the U.S. equivalent of the WIPO document. Copies of the foreign references are attached as well along with English language Abstracts. The Abstracts and the Japanese office action explain the relevancy of these references.

The Examiner is requested to consider these references during the examination and to make the references of record.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Gerald E. Hespos", is written over the typed name.
